Association's intervention in this matter. *Id.* at 2. The State of Wyoming also does not oppose. *Id.*

Under Fed. R. Civ. P. 24(a)(2), to intervene as of right, an applicant must show that “(1) it has a significant protectable interest relating to the property or transaction that is the subject of the action; (2) the disposition of the action may, as a practical matter, impair or impede the applicant's ability to protect its interest; (3) the application is timely; and (4) the existing parties may not adequately represent the applicant's interest.” *In re Estate of Ferdinand E. Marcos Human Rights Litig.*, 536 F.3d 980, 984 (9th Cir. 2008) (internal quotations and citation omitted).

The Applicant meets the standard for intervention as of right.

IT IS ORDERED that the unopposed motion (Doc. 37) for intervention as of right of Applicant National Mining Association is hereby GRANTED.

deadline by which Federal Defendants must file their responsive pleading or motion.

The Court will impose briefing word limits on all parties, including intervenors, at the preliminary pretrial conference, which will be scheduled after responsive pleadings or motions are filed in this case.
